SATURDAY, JULY 15, 2017

RACE TIME: 1:00 PM

OFFICIAL RACE RULES

The first rule of consideration is SAFETY for the racers and for the public. Use good common sense based on safety in all construction of outhouse, in dress, and in racing.

STRUCTURE:

1. Outhouse may be built of any solid material, and must be structurally sound enough not to fall apart during the race.
2. Outhouse must have 4 walls, a roof, a doorway and a seat with at least one (1) hole (any representation of a typical "outhouse hole") and a roll of toilet paper. Outhouse may have a door but the door must be secured open or removed during the race. Not more than one half of any wall may be window. Glass is NOT allowed for any part of the construction.
3. Outhouses must be a minimum of nine (9) square feet (3' x 3') at its base, a minimum height of five (5) feet from the ground to the highest point of the roof, and a maximum overall width not to exceed six (6) ft (including grasping/pushing devices). There is no maximum length, height, or weight limit. (*Remember – maximum width limit is six (6) feet including push devices*).
4. Any number and size of wheels may be used.
5. Outhouse must be human push powered. No motors, bicycle-type devices, etc. are allowed.
6. Any device for grasping/pushing may be used except ropes or like materials/devices. All grasping devices must be secured solid to the outhouse. The devices must not exceed the six (6) ft maximum width requirement and can be used for 'pushing' only.
7. A grasping device for the rider's safety is suggested.
8. Each outhouse must have a "name"; the name is to be displayed on each side of the outhouse (also front and back display is allowed). Names must be in good taste. Sponsors names may be applied anywhere on the outside of the outhouse.
9. No explicit language or pornographic displays allowed on or in the outhouse.

TEAM:

1. A team shall consist of a maximum of four (4) people. Three (3) team members to 'Push' the outhouse while one (1) team member must ride inside. The 'Sitter' is not allowed to participate in the propelling and/or steering process in any way and must remain seated over the hole during the entire race.
2. Team members, as listed at registration, must remain the same throughout the competition, unless a change is requested by a team member and authorized by an event official prior to the race.
3. A helmet is recommended for all team members.
4. All team members must be at least 18 years of age and provide proof of age.
5. Teams are encouraged to dress in like apparel. Each team and outhouse should have a "theme" and dress accordingly. Examples: Hillbilly theme - bib overalls, etc.; Western theme - cowboy hats, shirts, etc.; School of your choice: T-shirts, football jerseys, etc. Appropriate attire is a must.

3. Races begin at 1:00 PM.

RACE:

1. **PLEASE NOTE CHANGE:** Race course will be in the big field.
2. Teams must be prepared to move to the staging and starting lines when prompted.
3. The course will be divided into 2 lanes. No outhouse may go into another's lane. If a collision occurs, both teams will return to the start line and restart the race.
4. The rider must be seated over the hole when the Outhouse is in motion.
5. The front most point of the Outhouse will be used for Starting line alignment and to determine winner at the Finish line.

Terre Hill Days Committee reserves the right to be sole judge of what disqualifies a team due to inappropriate language. The race marshal will have the final decision concerning the inspection of the outhouses and all outhouse rules. Questions and concerns must be addressed prior to racing.
