

Hello, my name is John Styer and I represent the newly formed Terre Hill Christmas in the Park Committee.

We are a part of the Terre Hill Days Committee which is a not for profit organization composed of local community members who volunteer their time and efforts to maintain and make improvements to the Terre Hill Community Memorial Park. We also organize, run & sponsor numerous community events throughout the year.

A *brand-new* event is in the making for this coming Christmas season! We are creating a "Christmas in the Park" event. Planned is a Christmas light trail, lighted scenes & displays, visits with Santa, caroling, games, music, sweet treats and so much more. We envision this to be a fun and joyous Christmas event for all ages and our entire community!

We are starting from ground up on this event. We have much to plan, build & purchase and unfortunately, a very small budget.

I am reaching out to you, a local business leader, for your support. Any amount would be a tremendous help and would be deeply appreciated. We will recognize all our sponsors on our website and before and during the event with valuable advertising opportunities. Attached is our sponsorship form. Here you will find additional ways we will be recognizing our sponsors.

We are also in need of material items to facilitate the event. If you'd be able to give in that way we would love to hear from and recognize you as well. Items in need are included with this letter.

Thank you so much for your time, consideration and generosity. We look forward to this being a memorable event for many years to come.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "John Styer".

Can you help?

We are looking for the following items to get this new event off the ground! The main attraction at Christmas in the Park will be a **walk through light display** featuring metal frames strung with LED lights. These items are very expensive to purchase, so we plan to design and build our own, custom displays!

MIG Welder, 120v	Electrical Wire- all gauges
Welding supplies (tips, wire, gas, etc)	Electrical Supplies- panels, receptacles, etc
Welding Cart	Paint / Powder Coating
Welding jackets, gloves & helmets	Labor Donations Needed
Plain, round steel stock, 3/16"	Artwork / Painting
Metalwork tools- anvil, planetary ring roller	Large Format Printing
LED Outdoor Christmas Lights	Sign & Banner Printing
LED Outdoor Christmas Decorations	Electricians / Metal Work / Welders

If you'd be able to help us with any of these needs in any capacity- please contact John Styer at jstyer@terrehilldays.com or 717-468-8474.

Donors of material items will be recognized for their contribution according to our sponsor table for the dollar value amount of the donation.
