

Dear local business owner,

Hello, my name is John Styer from the Terre Hill Christmas in the Park Committee.

As you may have heard, we are hard at work on a new event coming up this December, **Christmas in the Park!** Planned is a Christmas light walking trail with a live nativity, lighted scenes & displays, children's activities, music and more! We envision this to be a fun and joyous Christmas event for all ages and our entire community! The event will be a fundraiser for the Terre Hill Community Park.

We are starting from ground up on this event. While construction is already underway, **we are still in need of your support** to be able to hold the event this December.

I am reaching out to you, a local business leader, for your support. Any amount would be a tremendous help and would be deeply appreciated. We will **recognize all our sponsors on our website and before and during the event with valuable advertising opportunities.** Attached is our sponsorship form. Here you will find additional ways we will be recognizing our sponsors. To be able to recognize our sponsors on all of our printed materials, we must receive your contribution by September 25.

Please remember to visit us at the event at the Terre Hill Park this **December 7 through December 9!** Hours and details will be online soon at [terrehilldays.com](http://terrehilldays.com).

Thank you so much for your time, consideration and generosity. We look forward to this being a memorable event for many years to come.

Sincerely,

A handwritten signature in black ink, appearing to read "John Styer", is positioned below the word "Sincerely,".
